Admission Number

Our school Pupil Admission Number (PAN) is 30; this means that the number of places in our Reception year is 30. This gives three classes of 30 in the Infants when all the places are filled 90 in total. In Key Stage Two, places can be allocated above this figure to a maximum of 120 junior places. Entrants to year groups other than Reception are dealt with in the same way as the Reception places, using the points system in the case of oversubscription.

Children, who have an Education, Health and Care Plan (EHCP) which names the School as the most appropriate educational setting for the child; will be allocated a place first which will reduce the number of places available to other applicants.

Admission oversubscription criteria

- 1 Looked After Children' or children who were previously looked after but immediately after being looked after became subject to an adoption, residence or special guardianship order will be allocated before the points criteria is applied.
- 2 Children with the highest combined score based on a weighting procedure using the points system detailed below. Places are allocated to children with the most points, which are cumulative if several criteria are satisfied.

In the event of oversubscription within any criterion, children living nearest to the school as the crow flies will be allocated a place. Distance is measured using Nottinghamshire County Council's computerised distance measuring software. In the event of two distances being equal, lots will be drawn and independently verified.

Point's scores

5 points: Children, who at the closing date of the application, reside at the same address as a brother and/or sister (including step siblings, foster siblings, adopted siblings and other children living permanently at the same address) who will be attending the School at the same time of admission.

4 points: Children of parent or carer' who demonstrate regular worship at least on a monthly basis to St Michael and All Angels Church, Bramcote either at Sunday Worship or at midweek groups where worship is the primary focus, over the past year, in order to be considered for a foundation place. A reference will be sought from the church minister to confirm their frequency of attendance.

3 Points: Children of parent or carer' who demonstrate regular worship at another Christian Church at least on a monthly basis; that is a member of Churches together in England, Evangelical Alliance or other Christian churches of a Trinitarian faith, either at Sunday Worship or at midweek groups where worship is the primary focus, over the past year. This will be verified by written reference from the minister.

2 points: Children of parent or carer' who are residents of the Ecclesiastical Parish of Bramcote in the Diocese of Southwell and Nottingham. (See Appendix 2)

1 Point: Children of parent or carer' who are active members of another Faith and who have been attending on a regular monthly basis for at least one year. Major world faiths such as Buddhism, Hinduism, Islam, Judaism or Sikhism, this will be verified by written reference from the faith leader.

Definitions

In the event of oversubscription criteria being applied:-

- 1 The highest priority **must** be given to children who are looked after and all previously looked after children.

A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions in accordance with section 22(1) of the Children Act 1989 at the time of making an application to a school.

Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order). This includes children who were adopted under the Adoption Act 1976 and children who were adopted under section 46 of the Adoption and Children Act 2002.

Child arrangements orders are defined in section 8 of the Children Act 1989, as amended by section 12 of the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians)

- 2 The Governing Body assumes that all parent are willing for their children to join in all activities within the Christian ethos of the School (whilst acknowledging parent's legal rights to withdraw their child from certain activities).

Multiple Births

Where one child of a multiple birth family can be admitted, the other child/children will also be admitted.

Special Consideration

Special consideration may be given to applications that are supported by written evidence from a doctor, social worker or other relevant professional giving reasons why the school is the **only** school which could cater for your child's particular needs. This might include medical needs, mobility, support needs, special educational needs or other social circumstances. The evidence must be presented at the time of application. Admission under special circumstances will have priority over all admissions criteria with the exception of children with an EHCP and children who are looked after. These applications will be considered by the admissions panel.

Appeals

If your child is not allocated a place you have a statutory right to appeal. The deadline for lodging appeals allows appellants at least 20 school days from the date of notification that their application was unsuccessful to prepare and lodge their written appeal.

A request for appeal should be made directly to the Governors of the School; the Chair of Governors/Head Teacher will outline the Appeals Procedure for a Voluntary Aided Church of England School to the appellant.

Your appeal will be arranged and clerked on behalf of the Governors by the Rothera Solicitors of Nottingham and will be heard by an independent panel. There is no cost to the appellant. The decision of the panel will be binding on both you and the school.

Late Applications

Late applications are those submitted after the closing date for the coordinated admissions scheme and will be considered by the committee providing the applicant can evidence that there were exceptional reasons for missing the closing date, otherwise they be considered after the other applications. The reasons will be those used by the Local Authority

Waiting List

A waiting list for first admissions will be kept by the LA until at least the 31st December of each school year of admission. Each child added to the list will be ranked again in line with the schools published oversubscription criteria. Priority will not be given to children based on the date their application was received or their name was added to the list. Looked after children, previously looked after children and those allocated a place at the school in accordance with Fair Access Protocol WILL take precedence over those on the waiting list. If a place then becomes available parent must accept this within 1 week of the offer.

Point of Admission to school

The point of admission to the school is the academic year in which the child turns 5; this means a single point of entry in September each year. Some parent may wish to defer the start of full time education. The School Admissions Code (2.16) states that a) parent can request that the date their child is admitted to school is deferred until later in the academic year or until the term in which the child reaches compulsory school age, and b) parent can request that their child takes up the place part-time until the child reaches compulsory school age. Once you have been offered a place you may wish to take up this option. Contact the school to arrange a meeting with the Headteacher to arrange the details.

Admission of children outside their normal age group

The School Admissions Code 2.17 – Parent may seek a place for their children outside of their normal age group, for example, if the child is gifted and talented, or has experienced problems such as ill health. In addition, parent of summer born children may choose not to send that child to school until the September following their fifth birthday and may request that they are admitted out of their normal age group to reception class rather than year 1.

Both Nottinghamshire residents and those living outside of Nottinghamshire should submit a request in writing to Nottinghamshire County Council's school admissions team as early as possible.

The school's admission committee will make decisions based on the circumstances of each case and in the best interests of the child concerned. This will include taking account of the parent's views; information about the child's academic, social and emotional development; where relevant, the child's medical history and the views of a medical professional; whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely.

Nottinghamshire County Council admissions team will inform a parent of the decision on the year group to which the child should be admitted, notifying them of the reasons for the decision. Where it is agreed that a child will be admitted out of the normal age group and, as a consequence of that decision, the child will be admitted to a relevant age group (i.e. the age group to which pupils are normally admitted to the school) the local authority and admission authority will process the application as part of the main admissions round on the basis of their determined admission arrangements only, including the application of oversubscription criteria where applicable.

The parent has a statutory right to appeal against the refusal of a place at a school for which they have applied. This right does not apply if they are offered a place at the school but it is not in their preferred age group.

Equal Opportunities

Bramcote C of E Primary School is an inclusive school that welcomes all pupils. It is assumed that parent choose this school because they want a Christian education for their child/children and are willing for them to take part in all the activities of the school. Every step will be taken to ensure equal access to education here, notwithstanding the admissions procedure outlined above.

The School Standards and Framework Act 1998 Section 60 allows exceptions for admission with respect to our religious status.

Subject to the religious criteria outlined in this admissions policy the Governors of Bramcote CofE Primary intend that no applicants seeking admission for their child shall receive less favourable treatment because of the their sex, marital status, race, colour, nationality, national origin, sexual orientation or disability, nor be disadvantaged by any other condition or requirement which cannot be shown to be justifiable in accordance with any relevant legislation or regulations.

In-Year Applications to Bramcote CofE Primary School

For in-year admissions to Bramcote CofE Primary School, you can apply directly to us. If there are places available within a year group (I.E. the number of pupils within that year group is below the published admission number of 30) the applicant will be offered a place.

Where the number of applications received is greater than the number of places available in the year group a waiting lists is held by Bramcote CofE Primary. The order of waiting list is decided by the admission oversubscription criteria for the school irrespective of the date the application was received.

In the event of oversubscription within any criterion, children living nearest to the school will be allocated a place. This will be measured using Google Maps. In the event of two distances being equal, lots will be drawn and independently verified.
