Dear Parents/Carers

Please find outlined below the range of clubs available to the children during the Summer Term. Please indicate the club/s which your child would like to be involved in and **return these back to school as soon as possible**. Some of the clubs will be run by outside providers and will have a fee attached to them. Also be aware that some clubs have a limited number of places and these will be allocated on a first come basis, clubs can only take place if there are sufficient numbers of children and we will inform you of any changes. **After school clubs start at 3.30pm and end at 4.30pm. Clubs that are provided by outside agencies : unfortunately payment has to be committed for the half term.**
