

Bramcote C of E Primary School

Sports Funding Action Plan

2017-18

Background

In April 2013, the government announced new funding of £150million for physical education and sport, to be used to improve the quality and breadth of PE and sport provision. Funding has been allocated to all maintained and state-funded schools with primary phase pupils from 1st September 2013. A typical primary school receives approximately £8,250 annually in the academic years 2013/2014 and 2014/2015., 2015/2016 , 2016-17. With the introduction of the sugar tax the government has promised further funding to support with the implementation of quality sports in school our allocation for 2017-18 as a result our estimated funding will be £16,000.

Schools are free to determine how best to use this funding to improve the quality and breadth of PE and sport provision, including increasing participation in PE and sport so that all pupils develop healthy lifestyles and reach performance levels they are capable of.

Set out below is a proposed action plan for the 2017-18 allocation of monies for Bramcote C of E Primary School.

In addition to this we employ a sports coach to teach the children participation and sports skills for one day per week.

<u>Action</u>	<u>Who/With</u>	<u>Time frame</u>	<u>Steps to success</u>	<u>Cost</u>	<u>Outcome</u>
To employ a sports coach to work with school and provide good quality sports teaching and staff CPD.			<ul style="list-style-type: none"> • Sports coach is able to assess ability of children and provide differentiated activities to meet their needs. • Sports coach provides staff with up to date assessment information to enable reports back to parents termly. 	£5,500	<ul style="list-style-type: none"> • Children are able to develop and extend in their sports activities. • Learn new skills and develop active and healthy lifestyles.
