

Financial Information

At Bramcote C of E Primary School, we are committed to maintaining transparency and accountability in all aspects of our financial management. Parents and members of the community are welcome to request access to the minutes of our Finance and General Purposes (F&GP) committee meetings, which provide insight into how financial decisions are made to support the effective running of our school. In line with statutory requirements. These are available from the school office.

Our financial data is publicly available through the Department for Education's Financial Benchmarking and Insights Tool, where you can compare our spending with similar schools and view key financial information.
